Stellenanbieter: Language Farm

? June – August 2027 | ? Thuringia, Germany (Saale River) | ? Freelance / Honorarbasis

Do you love the outdoors, paddling on the river, and working with young people? Do you want to spend your summer in an international, high-energy team where English is the language of the day? Then welcome to the Language Farm!

We are looking for passionate, energetic, and safety-conscious Freelance Canoe Guides to lead our canoe day tours and support our language camps during the summer season of 2027.

? Your Role & Responsibilities

- **Lead Canoe Tours:** You will safely guide groups of children and teenagers (accompanied by our language counsellors) along the beautiful Saale river.
- **Safety First:** You instruct participants on safety, paddling techniques, and environmental awareness before and during the trip.
- **Gear Management:** You are responsible for the preparation, loading, unloading, and maintenance of the canoes and equipment.
- **Camp Life:** When not on the water, you integrate into our vibrant camp atmosphere and support outdoor team-building games.

? What You Bring

- **Experience on the Water:** Sound canoeing/paddling skills and experience in guiding groups. A formal canoe guide license is a big plus, but proven experience is what counts most.
- **Languages:** Excellent command of English (Native speaker or fluent C1/C2). Our camp language is strictly English! German language skills are helpful but not mandatory.
- **Safety Qualifications:** A valid Life Saving Certificate (e.g., DLRG Silber, BC Lifeguard, or international equivalent) and a current Outdoor First Aid certificate.
- **Personality:** High energy, reliable, responsible, and a natural ability to motivate and connect with kids and teens.
- **Legal:** Freelance status (Gewerbeschein / Steuernummer) and a clean enhanced certificate of good conduct (Erweitertes Führungszeugnis).

? What We Offer

- **Fair Compensation:** Attractive daily or weekly freelance rates (Honorar), depending

on your qualifications and experience.
- **Full Board Included:** Free accommodation and delicious organic/regional food during your camp stays.
- **International Vibe:** Work alongside open-minded people from all over the world in a unique, non-traditional learning environment.
- **Nature as Your Office:** Spend your summer on the water and around the campfire instead of behind a desk.

? Ready for the Adventure?

If you want to be part of the Language Farm family in summer 2027, we would love to hear from you!

Please apply directly via the Google application form**.**
