

PostDoc position in Individual Based Global Change Ecology

Stellenanbieter: University of Potsdam

One (1) PostDoc position in Individual Based Global Change Ecology at the University of Potsdam, Germany. We are looking for an open-topic post-doc to be part of the Individual Based Global Change Ecology research focus topic group. The PostDoc should aim to connect the various researchers and research groups under the banner of individual based global change ecology.

Application deadline is 2nd of June, 2025 and the position is to be filled as soon as possible.

For more information on the position itself, see the attached advertisement from the University of Potsdam ([here](#)), and contact Prof. Dr. Jana Eccard (Email: jana.eccard@uni-potsdam.de) or the coordinator, Molly Gilmour (gilmour@uni-potsdam.de). Please make sure to specify the research focus area INDIVIDUAL-BASED GLOBAL CHANGE ECOLOGY [ID no. 226/2025] in all communications, including application for the position.
