

Plant Care Expert / Horticulturist (f/m/d)

Stellenanbieter: plantclub GmbH

? We are Plantclub

Our motto is that you should have plants, wherever you work. We bring nature into workplaces and homes across Europe.

We take care of design, installation and plant care, to provide companies with beautiful, rented greenery to make their office space beautiful and their teams happy.

Since not all work happens in the office, we also support companies with plants for their employees' homes so that they can enjoy nature from wherever they work.

Join our creative, diverse and international team to make workplaces and homes greener and happier, through our values of sustainability, flexibility, transparency, and design-centricity.

Plant Care Expert / Horticulturist Full-Time | Berlin | on-site | f/m/d

? About the Role

You will be responsible for plant care at the offices of Plantclub members in Berlin

- Care for plants, including watering, pruning, pest treatment, and repotting
- Build & own the relationship with Plantclub members
- Manage plant treatments & replacements
- Share expert plant knowledge with team members, so we can learn and grow together

? We offer

- Spend your time working with a wide-range of beautiful plants
- Expand your knowledge about plants and how to make them thrive
- Gain hands-on experience in a fast growing startup at an early stage
- Work with a dynamic & diverse team
- Constructive career development, with regular feedback cycles and a personal growth plan
- Regular team events and plant-y gifts to celebrate your contributions to the team

???? Your Profile

- Previous experience in working with greenery and indoor plants and have the 'green thumb' required to make them flourish
- Knowledgeable and possess a comprehensive understanding of different plants and

greenjobs.de

Umwelt macht Karriere

the conditions and care they require

- You can lift 25 kg independently and climb a ladder to care for plants
- Comfortable meeting clients and listening to their wishes for their space
- Hands-on, take strong initiative, and are ready to join an early-stage startup
- You have very good communication skills and are proficient in English (C1). You are fluent in German (C1) and are confident communicating with clients and partners
- A big plus if you have an EU driver's license and feel comfortable driving a Miles car or van around Berlin
- **Must have a valid German certificate of competence (Proof of Expertise)** for the use of plant protection products.
