

B2C Marketing Specialist (gn)

Stellenanbieter: Too Good To Go GmbH

At Too Good To Go, we have an ambitious mission: to inspire and empower everyone to fight food waste together. More than one third of all food produced in the world is wasted. And that has a huge impact on the health of our planet. 10% of greenhouse gas emissions come from food waste and loss.

Through our marketplace app, we connect businesses that have unsold, surplus food, with consumers who can buy and enjoy it at 50% of retail value. We are a certified B Corporation with a mission to empower everyone to take action against food waste. Alongside our marketplace app, we create educational tools, explore new business solutions, and influence legislation to help reduce food waste.

We're growing fast: Our community of 126 million registered users and 253,000 active partners across 19 countries, have together already saved 483 million meals from going to waste - avoiding almost 1,304,000 tonnes of CO₂e! In 2023, Too Good To Go was recognised on Fortune's acclaimed 'Change the World' list, named as one of Deloitte's 'Best Managed Companies' and won a coveted 'Cultural Impact Award' at the annual Apple App Store Awards. We're proud of what we've achieved so far, but did we mention the issue is huge? We always want to raise the bar and that's where you come in:
