Electrical Engineer (m/f/d)

Stellenanbieter: Lahmeyer International GmbH

Dornier becomes Lahmeyer: Going forward, Dornier and Lahmeyer will conduct their energy-related activities under the joint **Lahmeyer International** brand. In doing so, we are uniting our many years of experience, our technical expertise, and our consulting capabilities under a single name.

Above all, this step means one thing: **more expertise from a single source**. Together, we offer an even broader range of engineering and consulting services in the business units of **Power & Heat, Transmission & Distribution, Renewables,** and **Hydro**.

Lahmeyer International thus stands for innovative projects and exciting challenges and is a competent and reliable partner for complex consulting projects and sophisticated engineering services in both national and international contexts.

To continue our growth, we’re looking for you to join our team in our business unit **Hydro** at the location **Bad Vilbel, Germany or at project offices worldwide** as soon as possible as a qualified and dedicated

Electrical Engineer (m/f/d)

What you can achieve with us:

- Planning and technical design of main and auxiliary power systems in hydropower plants
- Preparation of studies, concepts, and technical tender documents
- Technical and economic evaluation of supplier offers
- Review of implementation documents and monitoring of production at the manufacturer
- Coordination and monitoring of assembly and commissioning processes worldwide
- Support in preparing quotations and contract negotiations

What convinces us:

- Completed degree in electrical engineering, energy technology, or a comparable field (Dipl., B.Sc., M.Sc.)
- 5 - 10 years of professional experience in the planning and implementation of electrical engineering systems - ideally in the power plant sector
- In-depth knowledge of electrical power plant equipment
- Experience in power plant control technology is an advantage
- Confidence in dealing with technical studies and tenders - both in new construction and modernization
- Very good written and spoken English; German or other languages

What we have to offer:

- 30 days of holiday – Christmas Eve and New Year's Eve are also days off
- Subsidy for ‘eurekantine’ – so you can get through the working day feeling fresh and well-fed
- JobRad leasing – get to your destination on your dream bike
- Employee and refer-a-friend bonus – we share our success with you
- We support your personal and professional development
- Company-wide summer party & local Christmas parties
- Together we stand for our values – reliability, open communication, trust, health, and genuine appreciation

Contact:

As an international company, we value diversity and welcome applicants regardless of age, gender, sexual identity, physical or mental abilities, cultural, social, or ethnic background, religion, or worldview.

We look forward to receiving your application as Electrical Engineer (m/f/d)!
