

Contract Manager (m/f/d)

Stellenanbieter: Dornier Group GmbH

The **Dornier Group** stands for innovative projects and exciting challenges and is a competent and reliable partner for complex consulting projects and demanding engineering services in a national and international environment. We bundle our expertise in the four Business units Power and Heat, Renewables as well as Mobility and Water.

For our stake in **Lahmeyer International GmbH** in **Bad Vilbel, Germany** or at **project offices worldwide** we are looking for a qualified and dedicated

Contract Manager (m/f/d)

Lahmeyer International GmbH is a leading international engineering company specializing in planning and consulting for energy, hydropower and irrigation systems. They stand for experience, quality and global expertise, supporting complex projects from development and planning through to operation, backed by the latest technical methods. Their multidisciplinary team combines comprehensive expertise with local practice to deliver efficient, seamless solutions for complex water resource projects.

WHAT YOU CAN ACHIEVE WITH US:

- You will be responsible for the preparation and compilation of tender documents for hydropower and dams projects, based on the FIDIC suite and lead related contract negotiations
- You shall support and manage our interdisciplinary teams at site in all contractual aspects (contract management, variation orders or disputes) as Owner's engineer
- Project management in the planning of hydropower plants and control of interdisciplinary engineering teams
- Check and analyze construction schedules and cost claims to their legitimation
- Participation in the preparation of technical offers for engineering services, support in contract negotiations
- Occasional travel within the framework of projects and tenders

WHAT CONVINCES US:

- Completed civil engineer studies with focus on construction management or contract management
- 5 to 10 years of related professional experience, ideally including several years abroad
- Experience with FIDIC contracts
- Initial experience in the field of BIM would be desirable
- Project experience in international and German-speaking countries
- German and English language skills at business level, additional foreign languages would be an advantage

WHAT WE HAVE TO OFFER:

- 30 days of holiday – Christmas Eve and New Year's Eve are also days off
- Subsidy for 'eurekantine' – so you can get through the working day feeling fresh and well-fed
- JobRad leasing – get to your destination on your dream bike
- Employee and refer-a-friend bonus – we share our success with you
- We support your personal and professional development
- Company-wide summer party & local Christmas parties
- Together we stand for our values – reliability, open communication, trust, health, and genuine appreciation

CONTACT:

As an international company, we value diversity and welcome applicants regardless of age, gender, sexual identity, physical or mental abilities, cultural, social, or ethnic background, religion, or worldview.

We look forward to receiving your application as Contract Manager (m/f/d)!
