

Student Assistant (f/m/d)

Stellenanbieter: Leibniz Centre for Agricultural Landscape Research (ZALF)

The mission of the Leibniz Centre for Agricultural Landscape Research (ZALF) as a nationally and internationally active research institute is to deliver solutions for an ecologically, economically and socially sustainable agriculture – together with society. ZALF is a member of the Leibniz Association and is located in Müncheberg (approx. 35 minutes by regional train from Berlin-Lichtenberg). It also maintains a research station with further locations in Dedelow and Paulinenaue.

The FONA Impact project is funded by the German Federal Ministry of Research, Technology, and Space (BMFTR) to support its FONA strategy (research for sustainable development). The aim is to develop and test new approaches for the ex-ante and ex-post evaluation of the impact of research on sustainable development goals. The project consortium includes the Fraunhofer Institute for Systems and Innovation Research (ISI), PROGNOSE AG, and ZALF.

We are offering a part-time position up to 60 hours per month for a period of 6 months **starting 01.05.2026** at our location in **Müncheberg** as

Student Assistant (f/m/d)
