

Legal Associate (m/f/x)

Stellenanbieter: Climate Litigation Network

CLN is looking for a new Legal Associate to join our team!

This is an exciting opportunity to join a small, passionate team working at the cutting edge of climate litigation.

About CLN.

The Climate Litigation Network (CLN) supports communities who use the law to protect our shared future. We believe in a safe and sustainable future for all, where everyone is protected from climate harms. We provide individuals, organisations and grassroots groups with the legal tools and strategies to ensure that major emitters develop and implement emissions reductions plans that keep us all safe.

The role.

As Legal Associate, you will work closely with CLN's partners to develop and strengthen new and existing climate cases against governments. This is a role that sits at the intersection of legal expertise and partnership, requiring both high-quality technical work and the ability to provide effective support CLN's partners and help develop national and international networks in the field. You will also contribute to knowledge management and monitoring and evaluation, as well as representing the organisation in relevant external fora.

Essential skills and experience.

We highly value practical experience in climate litigation. At minimum, you'll have an LLB (or equivalent) and 3+ years' relevant post-qualification experience.

Key skills include:

- Specialist knowledge of climate litigation and comparative and international law
- Excellent legal research, analysis and drafting skills
- Great relationship management skills
- Strong communication skills, with the ability to explain complex concepts to a range of legal and non-legal audiences
- Excellent written and spoken English (additional languages also helpful)

Location & working pattern.

This is a full-time hybrid role based with min. 2 days/week in our Amsterdam office (preferred) or London.

Working for CLN.

You'll join a small, friendly, international team at an exciting time in CLN's development and at a critical juncture in the run up to 2030.

Remuneration and benefits include:

- Salary from € 55,000, dependent on experience and expertise
- 5% employer pension contribution
- 25 days annual leave and 8 days public holidays
- Family friendly working environment
- Incapacity insurance cover (NL)
- Potential for flexible working arrangements
- Commitment to training and professional development, including individual budget, in-house development opportunities, and conferences/events
- Opportunity to travel to meet other CLN team members and partner organisations.

How to apply

For full job details and to apply, please share covering letter, CV and sample of legal writing via the link below.

Applications are reviewed on a rolling basis — **deadline: 13 September, 23:59 CET.**

Please note:

- Applicants must already have the right to work in the Netherlands or UK, as CLN does not sponsor work visas.
- Fully remote work is not available for this position.

CLN is committed to building a more diverse workplace and strongly encourages applicants from under-represented backgrounds to apply.
