Advisor (m/f/d) Responsible Investments in Land

Als Bundesunternehmen unterstützt die GIZ die Bundesregierung dabei, ihre Ziele in der internationalen Zusammenarbeit für nachhaltige Entwicklung zu erreichen.

Job-ID:
P1533V3512

Einsatzort:
Vientiane

Einsatzzeitraum:
01.06.2020 - 31.03.2022

Fachgebiet:
Ländliche Entwicklung

Art der Anstellung:
Vollzeit oder Teilzeit

Bewerbungsfrist:
03.05.2020

Tätigkeitsbereich

To drive forward the country’s development, the Lao Government is investing in agriculture and forestry and frequently awards extensive concessions to investors from within Laos and from neighbouring countries. The GIZ Enhanced Land Tenure Security (ELTeS) Project, part of the Global Programme “Responsible Land Policy” and co-funded by the EU, supports its partners in increasing the sustainability of Land-related Investments, to monitor the implementation of social and ecological standards and to balance the interests of the Government, Investors and the local population.

Ihre Aufgaben

- Technical advice to further improve and consolidate the legal investment framework in Laos, especially guidelines and instructions
- Support the design and implementation of project activities on land-related investments in partner provinces
- Support the design and implementation of Capacity Development measures related to Responsible Investments in Land for Government Staff at different administrative Levels, private sector stakeholders and local village population
- Support to the monitoring of the overall Land Programme, implementation of PR-Strategy, reporting and financial administration of the component
- design and steer consultancy packages if and when applicable
- advise and support the Component Leader in strategic steering, partner and stakeholder networking and event facilitation
Ihr Profil

- Master’s degree (or equivalent) in agronomy, resource management, international relations, development studies, political and social sciences or related field
- Understanding of agricultural investment markets and businesses, rural development issues, knowledge of arising Land Tenure Security and Land Governance issues
- Strong analytical, advisory and organizational skills
- Experiences with German Development Cooperation and knowledge of rural development and agriculture portfolio; experience with EU co-financed projects is a strong asset
- Interculturally sensitive, strong communicator and team player
- Fluent in German and English

Standortinformationen

Under the following link you will find information about living and working in Laos.

In general, the security situation is calm. A contact person for security risk management is appointed at the local GIZ office. GIZ does not impose any restrictions on life partners and family members to move with you to the country of deployment. We kindly ask you to inform yourself which forms of relationships are legally and socially accepted in the country of deployment.

Hinweise

GIZ operates worldwide. As part of the GIZ team, you are prepared to take on international assignments and pass on your expertise.

This job is suited to a full or a part-time position.

The willingness for frequent travels is necessary.

Please understand that we can accept and process in principle only applications via our E-recruiting system.

Following the confirmation of your successful application, kindly check your spam / junk mail folder on a regular basis, since some provider classify emails from our recruiting system as spam.

GIZ would like to increase the proportion of employees with disability, both in Germany and abroad. Applications from persons with disabilities are most welcome.

Unsere Benefits

Über uns

As a service provider in the field of international cooperation for sustainable development and
international education work, we are dedicated to shaping a future worth living around the world. GIZ has over 50 years of experience in a wide variety of areas, including economic development and employment promotion, energy and the environment, and peace and security. The diverse expertise of our federal enterprise is in demand around the globe – from the German Government, European Union institutions, the United Nations, the private sector and governments of other countries. We work with businesses, civil society actors and research institutions, fostering successful interaction between development policy and other policy fields and areas of activity. Our main commissioning party is the German Federal Ministry for Economic Cooperation and Development (BMZ).
