

System Manager (gn) – Claims and Licensing

Stellenanbieter: ISCC System GmbH

Beschreibung:

ISCC – International Sustainability and Carbon Certification is one of the leading certification systems for sustainability, traceability and the reduction of greenhouse gas emissions. More than 3,500 companies in over 100 countries worldwide use the ISCC System.

ISCC covers all sustainable feedstocks, including agricultural and forestry biomass, circular materials and renewables. As a no-deforestation standard with a strong commitment to protect forests, high-carbon stock lands and biodiversity, ISCC strives for a world where biomass and other raw materials are produced in an environmentally, socially and economically sustainable manner.

System Manager (gn) – Claims and Licensing

Your main tasks:

- Further development, improvement and marketing of the ISCC licensing scheme in close cooperation with the Marketing Manager
- Support ISCC system users and licensees with the application of ISCC logos and claims
- Review and process all license applications
- Develop documentation systems to improve licensing processes
- Promote communication materials for all licensing activities
- Contribute to the development of the ISCC PLUS scheme
- Assist in the ISCC customer helpdesk

What we are looking for:

- Preferably a master's degree in marketing or communications management, sustainability management, business, economics, or similar
- First working experience in a related field, ideally at a certification scheme
- Excellent language skills in English and German (both written and spoken). Additional languages will be of advantage
- Service-oriented thinking and excellent communication and networking capability, especially in international environments
- Knowledge of sustainability certification systems, standard setting processes, certification and licensing is preferable
- Affinity for sustainability topics
- Proficiency with MS Office (Word, PowerPoint, Excel).
- Willingness to occasionally travel within Germany and abroad

- High commitment, analytical thinking, problem-solving, reliability, strong customer and team orientation, flexibility and good self-organization

What we offer:

At ISCC you will join a committed, dynamic and international team within a pleasant working environment. The job offers cross-functional tasks in the field of sustainability. Flat hierarchies and short decision patterns are a key feature of the organizational structure of ISCC.

The ISCC office is centrally located in Cologne with close distance to public transport and train stations. Free coffee, tea and water are available for all employees in the office. A KVB Jobticket will be provided.

All employees have the option to work from home two days a week (working from home full time is temporarily possible due to COVID-19).

We are a company with equal opportunities for everyone and encourage applications from all suitably qualified candidates regardless of age, race, gender or any other criteria that is not a professional qualification for an open position.

Application:
